

PUBLIC SUBMISSIONS - FREEWAY NORTH BUSINESS PARK

No.	Support/Object	Submission Type	Issue
S1	Support	Letter	Issue: Would like land included in proposed rezoning. Fully support proposal. Comment: The land is <u>within</u> the Study area & is subject to the rezoning.
S2	In-principle support	Letter	Issue: Support proposal provided that it does not prejudice current mining operations at Donaldson Coal or limit options for access to likely future uses earmarked by the Lower Hunter Regional Strategy. Comment: Proposal will not impact on current mining operations nor adversely affected the future development potential of the site.
