Potential sites for embellishment - land owned by Planning Ministerial Corporation

- All funded projects will be subject to the Department of Planning and Environment's oversight of design and embellishment.
- The cost of design has been factored into proposed budget (15% allocation).

State Electorates

- Blue Mountains: Leppington Appin Frenchs Forest
- Metropolitan Centre: Hill Shore Westmead
- Metropolitan Cluster: Penrith, Liverpool
- Western: Georges River Wollondilly Appin
- Northern: Hornsby Epping
- South: Northern Beaches

The proposed embellishment is to allow for both active and passive recreational opportunities while conserving endemic vegetation communities. The embellishment may include pathways, nature trails and playgrounds.

- To provide better legibility and accessibility within and to the open space. The proposed embellishments may include pathways, wayfinding, inclusive play space, green landscaping, and car park facilities.

Ermington Parramatta City
