Response given on 27 July, 28 July and 4 August in reply to questions about the status of the Department's assessment of the proposal:

The Department of Planning and Infrastructure is currently finalising its assessment of a concept plan and project application for stages 1 and 2 of a cultural events site at North Byron Parklands in Yelgun. These applications were publicly exhibited from 7 October 2010 to 19 November 2010 and the submissions received, as well as the proponent's response to submissions, are available on the Department's major projects website:
