Have your say on the proposed Wahroonga Adventist School

A proposal to construct a new Wahroonga Adventist School is now on exhibition for community feedback.

The Department of Planning and Environment is seeking views on the development application, which proposes to:

- Construct a new school in stages and up to four storeys in height, with underground car parking and drop-off/pick-up area
- Build new school sporting facilities
- Construct a new access road and intersection at Fox Valley Road
- Subdivide the land for the proposed new school building and sport areas

The new facilities will help accommodate up to 800 students from Kindergarten to Year 12.

A spokesperson for the Department of Planning and Environment said input from the local community will be considered as part of assessing the project.

“The DA proposes to develop new classroom facilities and sport areas, including playing courts and fields for physical education purposes,” the spokesperson said.

“I encourage everyone to take a look and have their say.”

To make a submission or view the development application and Environmental Impact Statement (EIS) visit [http://www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au)

Submissions can be made until Friday 5 December.

Written submissions can also be made to:

Attn: Manager - Key Sites
GPO Box 39
Sydney NSW 2001

The EIS is also available to view in person at:

- Department of Planning & Environment, Information Centre, 23-33 Bridge Street, Sydney
