**Have your say on St Catherine’s expansion proposal**

A proposal to expand St Catherine’s School at Waverley will be on exhibition from tomorrow for community feedback.

The Department of Planning and Environment is seeking views on the school’s concept proposal and first stage of works.

The concept proposal would see the school redeveloped in stages over 15 years and includes:

- demolition work;
- new buildings;
- alterations to existing buildings;
- new footpaths and driveways into the school;
- 19 new car parking spaces; and
- landscaping.

The proposal to build the first stage includes building a new Research, Performing Arts and Aquatic Centre and associated works.

A spokesperson for the Department of Planning and Environment said input from the local community will be considered as part of assessing the project.

“The proposal will allow the school to accommodate an extra 230 students in the future,” the spokesperson said.

“I encourage everyone to take a look and have their say.”

To make a submission or view the development application and environmental impact statement, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au). Submissions can be made until Monday 17 November.

Written submissions can also be made to:

Attn: Director – Industry, Key Sites and Social Projects
GPO Box 39
Sydney NSW 2001

The EIS is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- Waverley Council, 55 Spring Street, Bondi Junction
