Have your say on digital advertisement signs in Epping and North Ryde

A proposal to digitally convert four existing advertising signs will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the applications. The existing signs are located:

- north and south faces of the pedestrian bridge over Beecroft Road at Epping
  - including a new steel gantry for maintenance purposes
- east and west faces of the Paul Street pedestrian bridge over Epping Road at North Ryde/Macquarie Park
  - including a new steel gantry and ladder for maintenance purposes.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the feedback we receive is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the Statements of Environmental Effects, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au). Submissions can be made from Thursday 6 August 2015 until Monday 7 September 2015.

Written submissions can also be made to:

Department of Planning
Attn: Planning Services
GPO Box 39
Sydney NSW 2001

The Statements of Environmental Effects are also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- City of Ryde Council, 1 Devlin Street, Ryde for Epping Road
- Parramatta City Council, 30 Darcy Street, Parramatta for Beecroft Road
