Have your say on a new cold storage facility in Marsden Park

A proposal to construct the Swire Cold Storage Facility, Warehouse and Distribution Centre in Marsden Park will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application, which will include:

- 34,135 square metres of warehouse, storage and cold storage space
- 2,152 square metres of office space
- 128 car parking spaces
- Signage
- site preparation works, including earthworks and installation of required infrastructure
- site landscaping.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the environmental impact statement, visit www.majorprojects.planning.nsw.gov.au. Submissions can be made from Wednesday 12 August 2015 until Monday 14 September 2015.

Written submissions can also be made to:

Department of Planning
Attn: Planning Services
GPO Box 39
Sydney NSW 2001
