**Have your say on modifications to an apartment building at Sydney Olympic Park**

A proposal to modify Ecove Group’s approved apartment building at Bennelong Parkway, Sydney Olympic Park (Site 68) will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- reduce the floor to floor heights and change the roof design to allow two additional residential levels
- increase the gross floor area by 2,468 square metres to 35,635 square metres
- amend the landscape design
- increase parking space for vehicles, with changes to the basement parking layout

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the application, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au). Submissions can be made from Thursday 20 August 2015 until Monday 21 September 2015.

Written submissions can also be made to:

Department of Planning
Attn: Planning Services
GPO Box 39
Sydney NSW 2001
