**Have your say on a new pub and restaurant at Barangaroo**

A proposal to construct a pub and restaurant on Hickson Road at Barangaroo will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- construct a three-storey, 804 square metre building to be used as a pub and restaurant, including:
  - bar and dining on the ground floor, a restaurant on the first floor and a bar on the second floor
  - hours of operation from 7am to 12 midnight for indoor and outdoor areas
  - maximum capacity of 850 people (730 patrons inside, and 430 outside)
  - internal fitout works
  - a car park with 15 spaces
  - structural works
  - associated earthworks, landscaping and remediation
  - installation of services and utilities.

Plans to construct the building have already been on exhibition. The Applicant’s response to submissions received during the earlier exhibition will also be exhibited on the Department’s website.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”
