**Have your say on a warehouse and distribution centre in Horsley Drive Business Park**

A proposal to construct a warehouse and distribution facility in Horsley Drive Business Park will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- construct and operate a warehouse and distribution facility including
  - approximately 15,427 square metres of warehouse space
  - approximately 3,132 square metres of office space
  - 250 car parking spaces
  - an above-ground 60,000 litre diesel storage tank.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the environmental impact statement, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au). Submissions can be made from Thursday 27 August until Monday 12 October 2015.

Written submissions can also be made to:

Department of Planning and Environment
Attn: Manager – Industry Assessments
GPO Box 39
Sydney NSW 2001

The EIS is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- Fairfield City Council, Administration Centre, 86 Avoca Road, Wakeley
