**Have your say on modifications to a waste recycling facility at Moorebank**

A proposal to modify an approved waste recycling facility on Newbridge Road in Moorebank will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to extend the time the company has to commence construction to five years from the date of the original approval.

No other changes to the approval are proposed.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the application, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au).

Submissions can be made from Wednesday 2 December 2015 until Wednesday 16 December 2015.

Written submissions can also be made to:

Department of Planning and Environment  
Attn: A/Director- Regional Assessments  
GPO Box 39  
Sydney NSW 2001

The application is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- Liverpool City Council, 33 Moore Street, Liverpool.
