**Have your say on modifications to the concept plan for Cronulla Sharks Leagues Club**

A proposal to modify the concept plan for the approved Cronulla Sharks Leagues Club at 461 Captain Cook Drive, Woolooware will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the proposal which seeks to amend the landscaping design to:

- relocate the playground
- relocate and provide additional pathways
- provide additional landscaping structures and facilities
- amend the planting schedule.

As a result of this proposal, the applicant also seeks to reduce the width of the proposed riparian buffer corridor at certain parts along Woolooware Bay.

A riparian buffer corridor is the area of plants near a waterway that protects it from land use.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the Environmental Impact Statement (EIS), visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au).

Submissions can be made from Thursday, 10 December 2015 until Monday, 1 February 2016.

Written submissions can also be made to:

Department of Planning and Environment  
Attn: Director – Regional Assessments  
GPO Box 39  
Sydney NSW 2001
The application and EIS is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- Sutherland Shire Council, Customer Service Centre, 4-20 Eton Street, Sutherland
