**Have your say on increasing maximum limits on Sharks Leagues Club**

A proposal to increase the maximum building area and amend height limits on two of the residential buildings at the Cronulla Sharks Leagues Club site will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- increase the maximum residential floor space by 2,950 square metres
- increase the maximum building area for residential use by 9,689 square metres
- increase the maximum height limit by up to one storey, while reducing the maximum height limit by two storeys on part of the site

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the environmental impact statement, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au).

Submissions can be made from Thursday 2 July 2015 until Monday 17 August 2015.

Written submissions can also be made to:

Attn: Planning Services  
GPO Box 39  
Sydney NSW 2001

The modification request documents are also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- Sutherland Shire Council, Customer Services, Council Building, 4-20 Eton Street, Sutherland
