**Have your say on an industrial unit complex in Kooragang**

A proposal to construct an industrial unit complex in Kooragang will be on exhibition from today for community feedback.

The complex would assist in providing support services or specialist equipment to facilities associated with the Port of Newcastle operations.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- construct a complex of 13 industrial units, ranging from 152 square metres to 324 square metres in floor space;
- construct 17 parking spaces; and
- carry out associated landscaping.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the statement of environmental effects, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au). Submissions can be made from Thursday 30 July 2015 until Monday 31 August 2015.

Written submissions can also be made to:

Department of Planning  
Attn: Planning Services  
GPO Box 39  
Sydney NSW 2001
