Macarthur residents invited to have their say

The Department of Planning and Environment is holding drop-in sessions for the local community to have their say on draft plans to revitalise the seven station precincts from Glenfield to Macarthur.

The Draft Corridor Strategy provides a vision for renewing the area around the stations, including new homes, shops, cafes and improved public spaces close to existing public transport.

A Department spokesperson said the next step was hearing from locals about what they think of the Draft Strategy.

“Community input is an important part of the planning process, and we want to encourage locals to spend a few minutes looking over the draft plans.”

Three community drop-in sessions are planned for the Macarthur region, with residents encouraged to get involved in shaping the future of their local area.

The drop-in sessions are planned for:

- **Saturday 8th August**
  10am – 1pm
  Greg Percival Community Centre/Ingleburn Community Hall
  Corner of Oxford and Cumberland Roads, Ingleburn

- **Saturday 15th August**
  10am – 1pm
  Campbelltown Civic Hall
  91 Queen Street, Campbelltown

- **Thursday 20th August**
  4pm – 7pm
  Campbelltown Mall
  271 Queen Street, Campbelltown

The seven station precincts are around the following stations:
- Glenfield
- Macquarie Fields
- Ingleburn
- Minto
• Leumeah
• Campbelltown
• Macarthur

The Department will then use the community feedback to refine the Draft Corridor Strategy.

The Draft Corridor Strategy is also online until Monday 24th August, and can be viewed at www.planning.nsw.gov.au/glenfieldtomacarthur
