**Have your say on the redevelopment of St George Hospital**

A proposal to construct a new Acute Services Building at St George Hospital will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application, which seeks to:

- Construct the building above the existing Emergency Department on Gray Street
- relocate the helipad to the rooftop of the new building
- construct two additional levels of car parking above the existing Gray Street carpark
- upgrade the main entrance and refurbish existing buildings
- undertake electrical substation work.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the environmental impact statement, visit www.majorprojects.planning.nsw.gov.au. Submissions can be made from Thursday 25 June 2015 until Monday 10 August 2015.

Written submissions can also be made to:

Attn: Planning Services  
GPO Box 39  
Sydney NSW 2001

The EIS is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney
- Kogarah City Council, Customer Service Centre, 2 Belgrave, Kogarah
