Have your say on a warehouse and distribution centre in Chullora

A proposal to construct a warehouse and distribution centre on the Hume Highway at Chullora will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the proposal which seeks to construct a warehouse and distribution centre including:

- site preparation and bulk earthworks
- ancillary office, raised pedestrian walkway, cafe, lobby and gatehouse
- 24 loading docks, internal parking for pick-up and delivery vehicles and installation of sorting and conveyor equipment
- the connection of sorting equipment from the new warehouse to an existing warehouse at 12 Hume Highway via an aerial conveyor system
- new internal roads and associated hardstands
- 84 trailer parking spaces and 24 external pick-up and delivery parking spaces
- construction of a new three storey car park with two storey office above
- relocation of existing aerial electricity transmission lines
- associated landscaping.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the application and Environmental Impact Statement (EIS), visit www.majorprojects.planning.nsw.gov.au.

Submissions can be made from Wednesday, 11 November until Friday, 11 December, 2015.

Written submissions can also be made to:

Department of Planning and Environment
Attn: Director – Industry Assessments
GPO Box 39
Sydney NSW 2001
