**Have your say on modifications to the Possum Brush Quarry**

A proposal to make modifications to the Possum Brush Quarry is on exhibition for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- constructing and operating Stage 2 of the quarry to extend the life of the project by 30 years
- increase the annual quarry production from 200,000 to 450,000 tonnes.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the application visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au).

Submissions can be made from Wednesday 25 November until Friday 11 December, 2015.
