**Have your say on modifications to Roberts Road Quarry**

A proposal to make modifications to Roberts Road Quarry at Maroota will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- extend the life of the project until May 2025
- modify the approved sand extraction process
- modify the approved water supply dam construction process
- modify the approved rehabilitation strategy for the site.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the environmental impact statement, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au).

Submissions can be made from Friday, 2 October until Monday, 19 October 2015.

Written submissions can also be made to:

Department of Planning and Environment  
Attn: Director – Resource Assessments & Compliance  
GPO Box 39  
Sydney NSW 2001

The EIS is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney  
- The Hills Shire Council, 3 Columbia Court, Baulkham Hills  
- Nature Conservation Council, Level 2, 5 Wilson Street, Newtown
