**Have your say on modifications to the Eastern Creek Business Hub**

A proposal to modify the Eastern Creek Business Hub’s concept plan will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the application which seeks to:

- incorporate the proposed pedestrian link to Church Street into the second phase of the development
- expand the stormwater drainage system
- allow for more flexibility in the amount of space for large format and general retail shops, supermarkets and bulky goods stores
- undertake additional bulk earthworks on the future development lots.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive and this is taken into consideration when we develop our recommendations,” the spokesperson said.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the environmental impact statement, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au). Submissions can be made from Thursday 10 September until Monday 26 October 2015.

Written submissions can also be made to:

Department of Planning and Environment  
Attn: Director – Key Site Assessments  
GPO Box 39  
Sydney NSW 2001

The EIS is also available to view in person at:

- Department of Planning and Environment, 23-33 Bridge Street, Sydney  
- Blacktown Council’s Civic Centre, 62 Flushcombe Road, Blacktown
