Have your say on the replacement of two approved signs on Boundary Street at Roseville

A proposal by Sydney Trains to replace two advertising signs on Boundary Street at Roseville with digital signs is on exhibition for community feedback.

The signs are located on the east and west sides of the railway bridge over Boundary Street.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive,” the spokesperson said.

“This feedback is taken into consideration when we develop our recommendations.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”
