**Community feedback sought on a new warehouse and distribution centre in Wetherill Park**

A proposal by Frasers Property Industrial Constructions for a new warehouse and distribution centre on the corner of Horsley Drive and Cowpasture Road in Wetherill Park will be on exhibition from today for community consultation.

The Department of Planning and Environment is keen to hear the community’s views on the proposal which seeks to construct the facility over two stages and operate 24 hours a day, 7 days per week includes:

- two warehouse buildings
- car parking for 216 spaces, loading docks and a parking area for heavy vehicles
- an office and amenities.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive,” the spokesperson said.

“This feedback is taken into consideration when we develop our recommendations.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say."
