Have your say on modifications to the Pacific Highway Upgrade between Sapphire and Moonee Beach

A modification request by Roads and Maritime Services (RMS) to keep leftover spoil (mostly dirt and rocks) from the construction of the upgrade of the Pacific Highway between Sapphire and Woolgoolga, at 5 locations in Sapphire and Moonee Beach, is on exhibition for community consultation.

The Department of Planning and Environment is keen to hear the community’s views on the proposal to keep the spoil and provide opportunities for its future beneficial re-use.

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive,” the spokesperson said.

“This feedback is taken into consideration when we develop our recommendations.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the Environmental Assessment, visit [www.majorprojects.planning.nsw.gov.au](http://www.majorprojects.planning.nsw.gov.au).

Submissions can be made until Friday, 22 July 2016.
