Have your say on modifications to the Pacific Highway Upgrade at North Macksville

A request by Roads and Maritime Services to make modifications to the Warrell Creek to Urunga Pacific Highway Upgrade at North Macksville will be on exhibition from today for community feedback.

The Department of Planning and Environment is keen to hear the community’s views on the proposal which seeks to:

- Install a northbound on ramp onto the upgraded Pacific Highway
- Install a southbound off ramp onto the upgraded Pacific Highway
- Connect the ramps to the upgraded Old Coast Road
- Include a roundabout at the junction of the southbound off ramp at Old Coast Road and Letitia Close
- Upgrade an intersection at Old Coast Road and the existing Pacific Highway
- Include a median cross-over to enable emergency vehicles to travel north and south on the upgraded highway

A spokesperson for the Department of Planning and Environment said the local community always has an opportunity to share their views.

“Community consultation is an integral part of the planning process and the applicant will have to respond to the feedback we receive,” the spokesperson said.

“This feedback is taken into consideration when we develop our recommendations.

“It’s easy to participate by going online and we encourage everyone to take a look and have their say.”

To make a submission or view the application, visit www.majorprojects.planning.nsw.gov.au

Submissions can be made from 30 March until Wednesday, 13 April 2016.

Written submissions can also be made to:

Department of Planning and Environment
