Attention: Mr Leon Rodwell

Dear Mr Wilcox

I refer to your request to the Director-General for his final endorsement of the Blayney Settlement Strategy (January 2012).

I would like to congratulate Council on its work on the Blayney Settlement Strategy, prepared in conjunction with the community and the State Government. Accordingly, I am pleased to advise I have endorsed the final Blayney Settlement Strategy dated January 2012.

In endorsing the Blayney Settlement Strategy, I note that the Council will need to conduct further site specific studies for land contamination and other environmental constraint analysis prior to rezoning any land identified as a future investigation area.

Should you have any further enquiries about this matter, I have arranged for the Ms Anna Cumberland to assist you. Ms Cumberland can be contacted at the Department's Western Region Office on (02) 6841 2180.

Yours sincerely
