Dear Mr Farmer

**Farmborough Heights to Mount Kembla Strategic Planning Study**

I refer to Council's letter of 12 December 2013 seeking endorsement from Planning and Infrastructure of the Farmborough Heights to Mount Kembla Concept Plan as a strategic planning study to guide future planning proposals in the precinct.

I am pleased to advise that I have endorsed the strategy as delegate of the Director General. The significant resources committed to the preparation of the Concept Plan by Council are acknowledged.

The endorsed Concept Plan will provide a strategic framework for the consideration of planning proposals. Planning and Infrastructure expects planning proposals in the precinct to address the Concept Plan and provide for the protection and enhancement of environmental attributes. Any significant departures from the plan should be justified.

Should you have any further enquiries about this matter, I have arranged for Graham Towers from the Southern Region of Planning and Infrastructure to assist you. He can be contacted on telephone number 02 4224 9467.

Yours sincerely
