

LOCAL PLANNING PANELS DIRECTION – DEVELOPMENT APPLICATIONS AND APPLICATIONS TO MODIFY DEVELOPMENT CONSENTS

I, the Minister for Planning and Public Spaces, give the following direction under section 9.1 of the *Environmental Planning and Assessment Act 1979*.

The Hon. Paul Scully MP
Minister for Planning and Public Spaces

Dated: 6/5/24

Objective

The objective of this direction is to identify the development applications and applications to modify development consents that are to be determined by local planning panels on behalf of councils.

Application

This direction applies to councils in the Greater Sydney Region, Wollongong and Central Coast. It also applies to any other council that constitutes a local planning panel under the *Environmental Planning and Assessment Act 1979* (the Act).

Interpretation

A word or expression used in this direction has the same meaning as it has in the standard local environmental plan prescribed by the *Standard Instrument (Local Environmental Plans) Order 2006* made under the Act, unless it is otherwise defined in this direction.

Direction

1. Local planning panels of councils in the areas identified in the Table below are to determine development applications for development of a kind specified in the corresponding Schedule to this direction.

Table -

Council	Development
Bayside, Blue Mountains, Burwood, Camden, Campbelltown, Canada Bay, Georges River, Hawkesbury, Hornsby, Hunters Hill, Ku-ring-gai, Lane Cove, Mosman, North Sydney, Randwick, Ryde, Strathfield, Waverley, Willoughby, Wollondilly, Woollahra, and any other council that constitutes a local planning panel under the Act	Schedule 1
Blacktown, Canterbury-Bankstown, Central Coast, Cumberland, Fairfield, Inner West, Liverpool, Northern Beaches, Parramatta, Penrith, Sutherland, The Hills, Wollongong	Schedule 2
City of Sydney	Schedule 3

2. Local planning panels are to determine applications under section 4.55(2) of the Act for the modification of development consents granted by the panel that:
- propose amendments to a condition of development consent recommended in the council assessment report but which was amended by the panel, or
 - propose amendments to a condition of development consent that was not included in the council assessment report but which was added by the panel, or
 - meet the criteria for development applications set out in the Schedules to this direction relating to conflict of interest, contentious development or departure from development standards.

Note: Councils in the areas identified in the Table to this direction are generally precluded from exercising consent authority functions by operation of section 4.8(2) of the Act. This means councils should make arrangements for the determination of all other modification applications under section 4.55(2), as well as sections 4.55(1) and (1A) of the Act, by council staff. Councils should also make arrangements for the determination of modification applications under section 4.56 of the Act by either the local planning panel or council staff.

This direction takes effect on the date of this direction and applies to development applications and applications to modify development consents lodged but not determined before the date of this direction.
