

Form 3A – Final Geotechnical Certificate for a site classification report

DA Number: _____

To be submitted with application for occupation certificate.

This form must be submitted at the completion of a project, prior to occupation of the premises and prior to the issue of an occupancy certificate from Department of Planning & Environment (DP&E), where the development was constructed outside the "G" line. Form 3A is necessary, as it provides certification that the building works have been carried out in accordance with the requirements of the site classification report, and any subsequent geotechnical requirements introduced during the construction process.

Please contact the Alpine Resorts Team in Jindabyne for further information - phone 02 6456 1733.

To complete this form, please place a cross in the appropriate boxes [] and complete all sections
