Undertaking given under Section 9.5 of the *Environmental Planning and Assessment Act 1979 (NSW)* by ADN Investments Pty Limited (ACN 107 361 160)

1. Persons giving the Undertaking

- 1.1 This undertaking is given to the Secretary of the Department of Planning and Environment (**Secretary**) by ADN Investments Pty Limited (ACN 107 361 160) (**ADN**) for the purposes of section 9.5 of the *Environmental Planning and Assessment Act 1979 (NSW)* (**EP&A Act**).

2. Background

Background to the Development

- 2.1 ADN is an earthworks excavation company with its principal place of business located at 2 Shirley Street Rosehill NSW 2142.
- 2.2 On 4 September 2018, the Land and Environment Court determined proceedings 2017/225161 by the grant of consent to Development Application DA No. DA/140/2016 lodged by Al-Faisal College Limited (ACN 082 621 092) for development at 65-69 Croydon Street, Lakemba NSW 2195 (the **Premises**) for the following:
- (1) Alterations and additions to the existing building at 69 Croydon Street, demolition of two existing dwellings and associated structures at 65 and 67 Croydon Street, change of use to an Educational Establishment (Primary School) and associated site works and fencing.
- (collectively, the **Approved Development**).
- 2.3 Canterbury-Bankstown Council (**Council**) alleges that certain works as constructed at the Premises are not consistent with the Approved Development and do not otherwise have development consent. Namely, Council alleges that a basement floor level has been excavated and constructed (the **Unauthorised Works**). Condition 15 of the Approved Development provided that the development was to be carried out in accordance with architectural plans dated 14 May 2018 prepared by Millenium Design Consultants. These plans included a Ground Floor Plan (DA-02E) however there was no basement plan. Neither the architectural plans or any other provision of the Approved Development authorised the excavation and construction of a basement. The Unauthorised Works were not authorised pursuant to the Construction Certificates issued by Bernie Cohen & Associates Pty Ltd Trading as Essential Certifiers on 12 September 2019, 28 October 2019 or 11 September 2020 in relation to the Approved Development. The Unauthorised Works were not authorised pursuant to another environmental planning instrument.

The Contraventions

- 2.4 Council alleged that between September 2020 and April 2021:
- (1) ADN excavated a basement floor level (the **Excavation Works**);
- (2) ADN was aided, abetted, counselled, or procured to excavate a basement area by Decode Sydney Pty Ltd (ACN 604 521 173) (**Builder**);
- (3) The Excavation Works were carried out to enable construction by the Builder of a basement floor level, and thus formed a necessary part of the Unauthorised

Works at the Premises; and

- (4) The Consent did not authorise excavation or construction of a basement floor level and required the development to be carried out in accordance with approved plans that did not show excavation for a basement floor level.

2.5 The Excavation Works carried out by ADN contravened the EP&A Act as:

- (1) Section 4.2(1)(a) provides that a person must not carry out development unless such a consent has been obtained under the EP&A Act and is in force.
- (2) The Excavation Works were carried out without development consent contrary to the provisions of section 4.2(1)(a) of the EP&A Act.
- (3) The Excavation Works were not carried out in accordance with the Consent contrary to the provisions of section 4.2(1)(b) of the EP&A Act.
- (4) The Excavation Works amounted to offences under the EP&A Act as described above, and referred to as the **Contraventions**.

2.6 ADN acknowledges that undertaking development without first obtaining consent constitutes a contravention of section 4.2 of the EP&A Act.

Response to the Contraventions

2.7 ADN acknowledges the community impacts which arise from breaches of the EP&A Act, including harm to the regulatory scheme which establishes an orderly method for the obtaining of planning approvals prior to carrying out development. Development carried out without consent does not undergo prior impacts assessment which would allow for avoidance or mitigation of those impacts. Unauthorised excavation creates potential for additional impacts relating to vibration, groundwater, traffic, and waste, which never underwent prior impacts.

3. Commencement of this Undertaking

3.1 This Undertaking comes into effect when both:

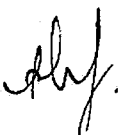

- (1) This Undertaking is executed by ADN; and
- (2) This Undertaking so executed by ADN is executed by the Secretary or his delegate
