Letter of Support: Hornsby Shire Council draft Local Strategic Planning Statement

Thank you for submitting Hornsby Shire Council's draft Local Strategic Planning Statement (LSPS) seeking the support of the Greater Sydney Commission (the Commission) for consistency with the Greater Sydney Region Plan – *A Metropolis of Three Cities* (GSRP) and North District Plan. The making of LSPSs by councils in Greater Sydney marks a milestone in the delivery of planning reforms that place greater emphasis on strategic planning.

In our role as the Commission's Assurance Panel, we appreciate that these first LSPSs across Greater Sydney are foundational in strengthening how growth and change will be managed into the future. We note your draft LSPS has been prepared in response to the provisions of Section 3.9 of the *Environmental Planning & Assessment Act 1979* (EP&A Act).

We confirm that the Commission supports Hornsby Shire Council's draft Local Strategic Planning Statement (March 2020) as being consistent with the Greater Sydney Region Plan and North District Plan under Section 3.9(3A) of the EP&A Act.

Our decision on consistency reflects the work already undertaken informing your first LSPS. It also reflects that work is still in progress (including the Local Housing Strategy and Employment Land Use Study) which will further support the LSPS and inform future updates.

The Commission's support is based, in part, on Council's intent to deliver the North District Plan as set out in the Local Strategic Planning Statement.

In this context, the Commission's expectation is that Council will undertake a program of work to implement the LSPS and has, at **Attachment A**, included Advisory Notes to assist Council. These Advisory Notes have regard to:

- the interrelationship of the LSPS, housing targets and the Local Housing Strategy for Hornsby Shire Council;
- updates to population projections during the preparation of the LSPS;

- Future Transport 2056's city-shaping and city-serving transport infrastructure;
- interdependencies with State agency programs and policies;
- key initiatives that relate to resilience planning; and
- Council-led initiatives identified for further investigation.

It is further noted that Council may need to update the LSPS as key supporting studies, including the Local Housing Strategy, are finalised.

In conclusion, we acknowledge the significant amount of work that Council has undertaken to develop the LSPS, and the spirit of collaboration that Council has shown throughout this process. Please pass on our thanks to all the members of your team who have assisted in achieving this significant milestone for Hornsby Shire Council. We look forward to continuing our work together creating a more liveable, productive and sustainable Greater Sydney.

With the benefit of this Letter of Support, it is now up to Council to determine whether it will make the draft LSPS (March 2020). Please note that no further amendments may be made to the LSPS prior to it being made (unless a further Letter of Support is obtained from the Commission).

Please be advised that once the LSPS is published on the NSW ePlanning Portal, the LSPS Tracker on the Commission's website will be updated to include this Letter of Support. Should you have any questions on the making of your LSPS, please contact Amanda Harvey, A/Executive Director, Eastern Harbour City, Department of Planning, Industry and Environment on (02) 8275 1120 or Amanda.Harvey@planning.nsw.gov.au.

Yours sincerely,
