ACN: 656 452 103
18 Driftwood Drive, Opossum Bay TAS 7023

Authorised Representative:
Simon David French
18 Driftwood Drive, Opossum Bay TAS 7023

3. Background

- 3.1 Elevation Parks Group Pty Ltd is an incorporated entity involved in the design, construction, and maintenance of recreational mountain bike parks and tracks.
- 3.2 The conduct that this Undertaking relates to is conduct undertaken by Elevation Parks Group Pty Ltd by carrying out development without consent in contravention of section 4.2(1)(a) of the EPA Act comprising:
- (a) Earthworks and/or the clearing of trees and/or vegetation for a total distance of 20182 metres (20.182 kilometres) to create trails to be used as part of a proposed mountain bike park identified as CCC1, CCC2, CCC3a, CCC3b, CCC4a, CCC4b, CCC5, CCC6, CCC8, CCC10, CCC11, CCC13 and CCC14 on the map at **Annexure B** (the **Works**).
- 3.3 The land on which the Works took place is known generally as 69 Cooks Road, Calga, and specifically the Works took place on Lot 108 in Deposited Plan 755221, Lot 86 in Deposited Plan 755221, Lot 85 in Deposited Plan 755221, Lot 21 in Deposited Plan 755221, and Lot 23 in Deposited Plan 755221.
- 3.4 Council became aware of the Works on 22 November 2022. After conducting an investigation it is apparent that the conduct the subject of this Undertaking took place over 2022 to the end of 2023 and contravenes section 4.2(1)(a) of the EPA Act as it was a purpose of development that required development consent under either the *Gosford Local Environmental Plan 2014* or the *Central Coast Local Environmental Plan 2022* (the Works having being carried out over a timeframe when each instrument applied in 2022) and development consent was not obtained.
- 3.5 In response to Council's investigation, Elevation Parks Group Pty Ltd:
- (a) Acknowledges the concerns of the Council that the Development would have required development consent under section 4.2(1)(a) of the EPA Act;
 - (b) Acknowledges that the carrying out of the Development without development consent would constitute a breach of the EPA Act;
 - (c) Note the Development has been completed and no further works without development consent will be carried out;
 - (d) Acknowledges the community impacts which arise from breaches of the EPA Act including the harm to the regulatory scheme which establishes an orderly method for the obtaining of planning approvals prior to carrying out development; and
 - (e) Offers this undertaking in response to the concerns.
 - (f) Acknowledges that it will inspect and confirm that any development consent obtained in the future is valid and in accordance with the works to be undertaken.
 - (g) Acknowledges that it will not carry out development without ensuring valid development consent in the future.
